### WE HAVE RECEIVED GREAT SERVICE FROM:

#### **Hastings Valley Powder Coaters**

Owner Barry Cook has gone out of his way to help, inform & educate us in all the necessities of Powder Coating. Don't hesitate to give him a call for all your powder-coating needs.

45 Uralla Road Port Macquarie 0427 656 373

*Thanks Barry*

Last Saturday I had the pleasure of a morning off & headed along with my envoi bags to the Hastings Farmers Markets. It really got me thinking about one of my favourite places in the world "Italy" & why I love it there? I think it's the sense of community.... & I was feeling it all over again.

Being an early bird I was there by 7.45am & was going to be out of there by 8.30am, but NO way did that happen. Just being able to talk to the stall holders, see what our local region actually produces, taste & enjoy the conversations with local sellers & buyers was fabulous. I say a big "Thank You" to the likes of Colin Amos, Jimmy Mobs, Rosemary and Fred Sidler, Jenny from Eggert's Farm, The goat soap lady, Ray from the Macadamia Farm, Ricardo's Tomatoes, Rotary, and all those other stall holders for being there come rain, hail or shine.

Now that I really do know & understand just what we have locally & who stocks it on a regular basis I can continue to "Shop Local" on a daily basis with the added benefit of our "Farmers Markets" on the forth Saturday of the month. Thanks too to Port Macquarie Hastings Council who initiated this community event & still strongly support it. By the way, I left at 11am so be prepared to "Lose the morning & gain our sense of community" *Peta*

### YAHOOOOOOOOO IT'S ARRIVED

#### **Our brand spanking new CNC Plasma Cutter**

The last week we have seen the boys in blue (Bennett blue) watching video manuals & with the tools firmly gripped in the palms of their hand putting together the new machine (& yes they did do EXACTLY as the instructions said on MOST occasions). Tanya is now into the computer side, installing, entering & configuring the program. We have made a few cuts & look forward to the amazing cutting creations we will be able to design.
